TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: In the reply filed on 12/15/05, the attorney docket number was indicated as being 4820-001. Claims 1-41 were indicated as being cancelled and claims 42-60 were added and those claims were pending. In the reply filed on 7/31/06, the attorney docket no. was indicated as 70074.001US01. Claims 1-41 were indicated as cancelled, claims 61-75 were added, and claims 42-75 were indicated as pending. In the reply filed on 3/5/08, the attorney docket number was indicated as being 31146-1. Claims 1-37 were indicated as cancelled, claim 56 was added, and Claims 38-56 are pending with claim 42 being withdrawn from consideration as being directed to a non-elected species. Firstly, it is unclear how claim 56 can be newly added if the previous claim set had claims 42-75 as pending. Secondly, claim 42 in the reply filed on 3/5/08 is directed to "the composition of claim 38, wherein the one or more sulfamic acid compounds are oil-soluble". However, in the reply filed 7/31/06 claim 42 is directed to a "method for correcting macronutrient and/or micronutrient deficiencies in a medium for growing plants which consists essentially of the steps of". The MPEP clearly indicates that reinstatement of previously canceled claims may only occur by adding the claim as a "new" claim with a new claim number (MPEP 714[R-6] (c) 5).
